Water Exercise at Skyline

Wednesday's Main Pool 9:30 am

Fun Water Workout. Bring water bottle. Equipment provided. \$5.00 per class.

Contact, Renee Meyst 760-505-4222

Mason Jar Ice Cream

It really is as easy as it sounds!

Put heavy cream, sugar, vanilla extract, and salt into a jar, then shake it! You *do* have to shake it for a full 5 minutes.

Fun recipe to do with kids!

Once the cream has thickened, become opaque, and can coat the back of a spoon (think closer to sour cream consistency), it's ready. Pop your jar in the freezer for a few hours,

and presto, you just made your very own homemade ice cream!

INGREDIENTS

- 1 Cup Heavy Cream
- 1 1/2 Tbsp.
- Granulated Sugar
- 1/2 tsp.
- Pure Vanilla Extract

DIRECTIONS

- 1) Step 1 Pour cream, sugar, vanilla and salt into a 16 ounce mason jar and secure tightly with a lid. Shake the mason jar until the cream thickens and almost doubles in size, 4 to 5 minutes. It should be opaque and easily coat the back of a wooden spoon.
- 2) Step 2 Freeze for 3 hours, or until hardened. Scoop out ice cream with a spoon and serve with your favorite ice cream toppings.

Greetings from the Women's Club!

We hope you are enjoying your summer!

Although we officially have taken the summer off, we never really stay idle and use this time to catch up on a little business.

As mentioned in our last newsletter article, the Women's Club had an amazing year, including raising substantial money for our charitable donations. We know that we couldn't do what we do without the support of our Sky-line community! To show our appreciation for your helping us to raise the "green" we need to fund our charitable projects, we thought it would be appropriate for us to donate some "green" in return. Therefore, at our last meeting in June, the members voted to buy a few nice large plants to enhance the renovated ballroom in the Clubhouse for all of us to enjoy.

The "Plant Committee" comprised of Cherrybea Smith, Patti Cox and Phyllis Knight oversaw the purchase of the plants (with rollers) - and with a little help from our spouses (thanks, guys!) - now have them in place for our coming events. We have plans to purchase one more tree in the near future, because - as we all know - you can never have too much "green!"

Note: The first meeting of the Women's Club 2024-25 year will be Wednesday, September 11th, at 10 am in the Clubhouse. More info to follow in the September newsletter.

Congratulations to Gen Curtis for her HOLE -IN-ONE on hole #6 on 6/27/24.
